The event opens from 7pm for a 7:30pm start and begins with a re-telling of the story of the Nativity (and other festive stories) interspersed with Christmas Carols accompanied by Chorley Silver Band.

Afterwards, have a warm around the fire, share mince pies and hot chocolate or choose another cake or hot drink if preferred.

Tickets to be booked in advance via the web site [www.bibbysfarm.org.uk](http://www.bibbysfarm.org.uk) or direct via the office.

Dress for the weather, in previous years it has been cold, sometimes windy and we've even had snow too.

Whereas we have some benches available, please consider bringing your own fold-up camping chair for ease.

This is one of the few events where everyone is welcome so feel free to bring the family and friends, all are very welcome.

Let us know if you have anyone with mobility or dietary requirements, most things can be resolved and accommodated as long as we know.
